

YOT SUPPORT

www.elemental-ideas.co.uk

Professional presentation and information services

Elemental Ideas has been providing a range of presentation, promotional and information-based support services for the West Yorkshire YOTs since 2001. Over this time we have built up a knowledge of Youth Justice issues and developed a good working relationship with the region's youth offending services.

> Information Leaflets

The design and printing of a full range of information leaflets. They are in a standard size to suit most display racks (1/3 A4) and cover orders, courts, parenting and mentoring etc., including some in Asian languages.

> Plans and Reports

The design, editing and printing of annual plans, special reports and other publications, many with original design, photography and graphics.

> Newsletters

The production (including interviewing, research, photography and writing) of a regular series of newsletters, both in print and as PDFs for web and e-mail circulation, highlighting local initiatives, successes and work with partner agencies.

> Exhibition and Display Stands/Panels

The production of a full range of colour, fixed and portable display materials involving original design, photography and printing.

> Web Sites

The design and management of YOT websites.

> Photography

Working with YOTs and partner agencies to build a library of appropriate images which can help to present a positive image of their work.

> Event Support

Pre- and post-event support for conferences and exhibitions (e.g. The West Yorkshire YOT Conference - May 2005) including venue liaison, advertising, photography and newsletters etc.

> PowerPoint & Digital Cameras

The design and production of presentations, and delivering training for digital camera use and presentation skills using PowerPoint.
